

Feature

This cable is a dedicated USB cable required to connect a personal computer to the Free-Spec Compact Signal Converter WSPA series.
Connect the WSPA unit using this cable when using the WSPA Dedicated Configuration Tool, which is used for writing settings to the WSPA series and for monitoring.

※ The interface with the personal computer is USB-compliant.
This product uses Azbil Corporation's "Model: 81441177-001."
The dedicated device driver can be downloaded from the Azbil Corporation website below:
https://aa-industrial.azbil.com/jp/ja/download/software/drv_win10_11

Model code

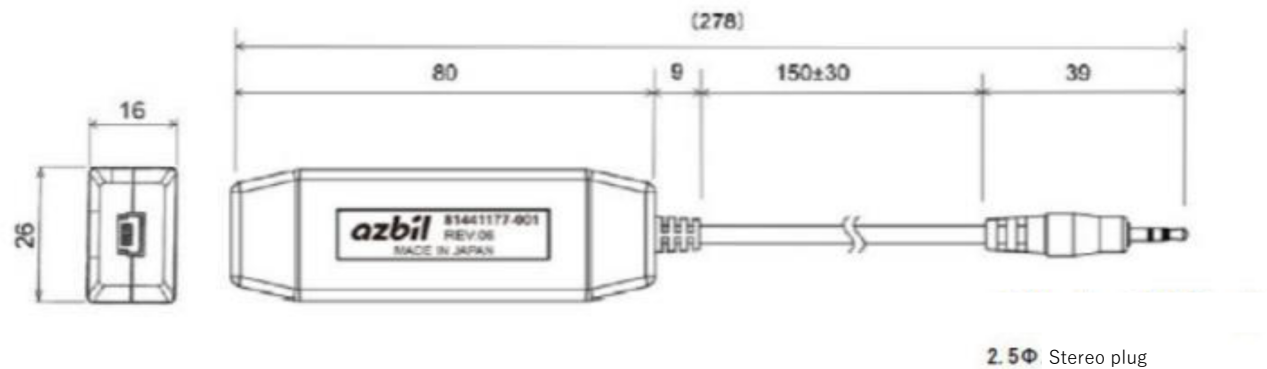

WSPA-USBC-A
